GEMS for Charity : The Wildlife Trusts - £1.25

Product Code: TWTTCS01

Gems: 50

Product Info

Every two years TCS UK&I chooses a new corporate charity. From 2019 onwards we have chosen The Wildlife Trusts to help them protect wildlife and wild spaces for a wilder future. Evidence shows that we are continuing to lose wildlife and the places where wildlife lives at an alarming rate. A landscape-scale approach to conservation and getting people closer to nature lies at the heart of The Wildlife Trusts efforts to address this.

Help the Wildlife Trusts restore and protect living landscapes by donating your GEMS, any penny will make the difference for endangered species in the UK such as the tortoiseshell butterfly and the red squirrel.

Together with the Wildlife Trusts, we aim to give you the opportunity to experience the joy of wildlife and wild spaces in your daily lives whilst occasionally switching off from a digitally connected world.
